Please agree to the below consent form prior to your Telemedicine/Virtual Clinic consultation

“Virtual Clinic” means that you may be evaluated and treated by a health care provider to specialist from a distant location via electronic communication. Since this may be different than the type of consultation with which you are familiar, it is important you understand and agree to the following statements:

- The consulting health care provider will be at a different location from me. Additional medical or registration personnel may also be present in the room with the provider.
- I understand that my voice and image may be recorded in order to assist the medical or registration personnel and I consent to any such audio and video recording.
- I understand there are potential risks to this technology, including, but not limited to, interruptions, unauthorized access, technical difficulties, and call termination. I understand there are alternatives and limitations to this type of care. I understand that my healthcare provider or I can discontinue the telemedicine consultation/visit if it is felt that the videoconferencing connections are not adequate for my situation.
- I understand that I may be released before all my medical problems are known or treated and it is my responsibility to make such conditions or symptoms known to the medical personnel as well as to make arrangements for follow up care.
